

ZEROFLUSH URINAL DAILY CLEANING INSTRUCTIONS

Before commencing cleaning of a urinal;

- **Check for visible evidence of maintenance requirements**
- **Always wear rubber gloves**
- **Be aware of MSDS sheets for cleaning agents**

STEP 1

Remove any debris from the bowl of the urinal

STEP 2

Spray the inside and outside of the bowl with a non-abrasive and non-degreasing cleaning agent

(N.b. recommend the use of ZeroFlush Spray and Go waterless urinal cleaning agent)

STEP 3

Thoroughly wipe the inside and outside of the bowl with a soft cloth or paper towel
